OPEN RUGBY FESTIVAL INTERCELTIQUE

This rugby sevens and fives festival was created as a natural step, strengthened by the power of Celtic culture, which resonates deeply within Breton rugby and beyond. This culture, passionately upheld by our two associations, embodies the values of rugby that matter most to us: sharing, respect, inclusion, camaraderie, mutual support, and many others.

Through these tournaments, organized in partnership with the Interceltic Festival, we aim to bring these values to life in a tangible way. We warmly invite you to join us in sharing this experience and in working together to ensure that this rugby festival becomes a moment truly infused with these fundamental values.

Rugby Club Lanester is proud to partner with the Festival Interceltique de Lorient to offer you a day dedicated to rugby combined with Celtic culture.

The Festival Interceltique de Lorient has been a symbol of Celtic culture since 1971. It offers a complete immersion in Celtic heritage — a unique celebration where passion for music, dance, and culture creates a warm and friendly atmosphere.

We have brought together our two areas of expertise to create this event, the Interceltic Open Rugby Festival. This 3rd edition will take place on Saturday, June 13, 2026, at the Locunel sports complex in Lanester.
